Legend delights kids and parents

FORMER Australian football great Frank Farina visited Caloundra Football Club for the Junior Season Launch.

Earlier in the day he met with some of the senior coaching staff and committee members at Coffee Club Rumba, Bulcock Beach, one of the club's senior sponsors.

"The Junior Season Launch was a great success with not only the young players, but also many parents wanting to speak with Frank, have him sign jerseys and have their photo taken with him," club president Nic Basile said.

"We couldn't have asked any more of Frank.

"He is the perfect ambassador as he was happy to talk and be part of our club.

"We had hundreds of parents and players attend the Junior Launch where we showcased the two new jerseys every player will receive this year, being a home jersey and a training/away jersey, a club sports bag and a ball. We

are investing in our juniors as they are the future of our club.

"Frank addressed the crowd and spoke about the importance of having dreams and living the dreams.

"On Sunday night we held an Italian night at the club where Frank stayed and enjoyed dinner with a

number of parents and junior players.

"Frank will be watching various junior and senior teams play this coming weekend and will then have breakfast with members at the club on Sunday before conducting a clinic for Caloundra's coaches.
